

climb 4 casey

Hi, friends! Casey Kelso, well-known in the climbing and biking communities and an inspiration to us all, is being treated for a rare cancer. He is undergoing chemotherapy in Chicago, but because of denial by his insurance company, he is paying for treatment out of pocket week to week.

Come and climb for him at Phoenix Rock Gym. Entrance and equipment rental fees are waived so that all donations go to Casey's chemo fund. Cash and checks are welcome.

Date: Sunday, Jan. 11, 2009

Time: 7 to 10 p.m.

**Place: Phoenix Rock Gym,
1353 E. University Drive, Tempe**
