Hi, friends!  
Casey Kelso, well-known in the climbing and biking communities and an inspiration to us all, is being treated for cancer. He is undergoing chemo but because of denial by his insurance company, he is paying for treatment out of pocket.

Come and bike for him during Spin4Casey at Coyotes Athletic Center. It's a fun and intense spin class by Coyotes instructor Eric Lynch. The \$25 entry fee goes directly to Casey's chemo fund.

**Date: Saturday, Jan. 31**  
**Time: 4 to 5:30 p.m.**  
**Place: Coyotes Athletic Center, SE corner of 99th Ave. and McDowell, Tolleson**
